

Pak Water & Energy Expo

Exhibition & Conference

3rd - 5th December 2024
Expo Centre Karachi

Exhibition on

♦ Water Technologies

RO Plant, Water Recycling, Demin Plants
Filtration Plant, Distillation Plants

♦ Waste Water Solution

Sewage & Sludge Treatment, Industrial Waste Water Plant

♦ Power Generation, Transmission and Distribution

Generator, UPS, Panels PFI, Batteries

♦ Renewable Energy

Solar Energy, Wind Energy, Solar Panels & Products

♦ Sustainability and Green Engineering

Carbon Management Solutions, Energy Conservation and Efficiency

♦ Automation and Instrumentation

Calibration & Testing Services, Monitoring and Control

Organizer

Supported by

Conference Partners

Water & Energy are two vital utilities for every plant & industry. Over the year importance of these utilities have gain importance and with increase awareness of Environmental and Energy Conservation, Water treatment, Recycling, Renewable Energy have added another dimension to consider for Water & Energy Equipment and usage.

Pak Water & Energy Expo 2024 being organized considering these aspects in mind. It is an integrated exhibition and being held annually since 2016 and has become a leading platform for Water and Energy related equipment manufacturers, vendors & service providers. Both local & international exhibitors participate in this event.

Pak Solar Expo is being organized in concurrent with Pak Water and Energy Expo (PWE). It provides Exhibitors a unique opportunity to meet a broad range of visitors looking for Energy solutions. Both Corporate and Consumer are now considering to install alternative power solution to meet their cost effective Energy requirement. The Energy sector has seen a tremendous transformation from conventional power generation to renewable energy solution of Wind and Solar. Wind Energy Generation is limited to higher capacity while Solar Systems are being deployed by both Corporate & Individual users. That creates a huge business potential for Solar Solution Providers.

Pak Solar Expo is aim to be a game changer by providing tremendous business opportunities to the Exhibitors.

The exhibition is a showcase for plants & equipment manufacturers, material suppliers for Water and Energy industry. It brings together all the stakeholders under one roof for three days event. The exhibition provides an excellent opportunity of one to one contact for all those who are interested in to promote their products & service to the visitors of the Exhibition. Meetings & discussions on the sideline of the exhibition will help you in shaping and formulating future strategies and business plans.

Both events offer tremendous business opportunities. It helps to gauge the real pulse of the industry. The participation in the show enhance reputation and profile of Exhibitors & make them an important player of Pakistan's Water Energy and solar application.

Water Technologies

- ◊ Desalination Plant
- ◊ Domestic RO Plant
- ◊ Drilling Companies
- ◊ Bottling Filling Line
- ◊ Mineral Water Plant
- ◊ Rainwater Harvesting
- ◊ Reverse Osmosis Eqpt
- ◊ Pumps Manufacturers
- ◊ Controllers and PLCs
- ◊ Chlorination Systems
- ◊ Canal Lining material
- ◊ Boilers Manufacturers
- ◊ Demineralization Plant
- ◊ Ultra Filtration
- ◊ Filter Housings
- ◊ RO Membranes
- ◊ Softeners,PE Pipings
- ◊ Ultra Violet Lamps
- ◊ Water Storage Tanks
- ◊ Cartridge Filters
- ◊ Activated Carbon
- ◊ SS Piping and Fittings
- ◊ FRP Vessels,Arid Irrigation
- ◊ Water Boosting System
- ◊ Chemical Dosing System
- ◊ Carbon Filter / Sand Filters
- ◊ PVC Piping and Fittings
- ◊ Engineering Companies
- ◊ Purified Water Generators
- ◊ Drip Irrigation Equipment
- ◊ Water Conservation Eqt
- ◊ Water Testing Laboratories
- ◊ Water Chemicals Manufacturers

Waste Water Solutions

- ◇ Geomembrane Lining
- ◇ Blowers and Diffusers
- ◇ Chemical Dosing System
- ◇ Environmental Consultants
- ◇ Pollution Monitoring Eqt.
- ◇ Water Testing Laboratories
- ◇ Sewage & Sludge Treatment
- ◇ Waste Water Treatment Plants
- ◇ Wastewater Recycling

Power Generation, Transmission & Distribution

- ◇ Power Generation
- ◇ Power Transmission
- ◇ Power Distribution Systems
- ◇ Energy Management, Metering
- ◇ Transformers
- ◇ Energy Storage
- ◇ Panels PFI, Batteries
- ◇ Diagnostic Equipment

Renewable Energy

- ◇ Energy Solutions
- ◇ Energy Storage, Batteries, Invertors
- ◇ Waste to Energy Solutions
- ◇ Solar Energy - Wind Energy
- ◇ PV Panels, Invertor, Controller
- ◇ Self-sustained Commercial and Industrial
- ◇ Energy Conservation Products and Technologies

Sustainability & Green Engineering

- ◇ Environment Protection
- ◇ Environmental Engineering
- ◇ Carbon Management Solutions
- ◇ Energy Conservation and Efficiency
- ◇ Emissions Monitoring and Reduction
- ◇ Government and Regulatory Agencies
- ◇ Environment-Friendly Products & Smart Technologies

Automation & Instrumentation

- ◇ Electrical Components
- ◇ Energy Efficiency Technology
- ◇ Calibration & Testing Services
- ◇ Measuring & Control Equipment
- ◇ Automation and Control Systems
- ◇ DCS (Distributed Control Systems)
- ◇ Process Safety, Mobile Automation
- ◇ Instrumentation & Process Controls
- ◇ SCADA Technology, Process Automation
- ◇ Industrial PCs and Touchscreen Systems
- ◇ Wireless Automation, Sensors & Actuators
- ◇ Maintenance & Optimization

Visitors Profile

Visitors to Pak Water & Energy Expo 2023 represent the public and private sectors who focus on Water, Energy and the Environment from Pakistan.

- ◇ Refineries
- ◇ Power Plants
- ◇ Chemical Plants
- ◇ Sugar Industries
- ◇ Textile Industries
- ◇ Hotels and Clubs
- ◇ Water Consultants
- ◇ Leather Industries
- ◇ Beverage Industries
- ◇ Petrochemical Plants
- ◇ Food Processing Units
- ◇ Irrigation Department
- ◇ Real Estate Developers
- ◇ Fertilizer Manufacturers
- ◇ Distillery / Brewery Units
- ◇ Mineral Water Producers
- ◇ Builders and Contractors
- ◇ Public Works Department
- ◇ Mineral Water, Fruit Juices
- ◇ Diaries and Milk Producers
- ◇ Pulp and Paper Industry
- ◇ Engineering Organizations
- ◇ Environmental Consultants
- ◇ Water Resources Authorities
- ◇ Municipal Corporation/ KWSB
- ◇ Research and Technical Institutes
- ◇ Environmental Protection Agency
- ◇ Pharmaceutical Manufacturers
- ◇ Mineral Water Bottles Manufacturers
